

America's Student Loan Providers (US)

“America's Student Loan Providers (ASLP) represents leading providers of higher education funding. These companies and organizations provide federally guaranteed student loans through the Federal Family Education Loan Program (FFELP), a public-private partnership of schools, students, loan providers and the government that has financed the dreams of millions of Americans since 1965.”

“By leveraging private financial markets and competing for the right to lend to students, we bring value to students, schools and taxpayers.”
