INCOME TAXES	SCHEDULE D, PART X, LINE 2	The National Student Clearinghouse is incorporated as a not-for-profit corporation and has received a determination letter from the Internal Revenue Service dated May 13, 1997 stating that the organization is exempt from federal income taxes under Section 501(c)(6) of the Internal Revenue Code The National Student Clearinghouse Research Center is incorporated as a not-for-profit corporation and has received a determination letter from the Internal Revenue Service dated July 10, 2010 stating that the organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code Effective July 1, 2009, the Clearinghouse adopted the authoritative guidance issued by the Financial Accounting Standards Board (FASB) on accounting for uncertainty in income taxes recognized in an entity's financial statements Under this guidance, when tax returns are filed, it is highly certain that some positions taken would be sustained upon examination by the taxing authorities, while others are subject to uncertainty about the merits of the position taken or the amount of the position that would be ultimately sustained The benefit of a tax position is recognized in the combined financial statements in the period during which, based on all available evidence, management believes it is more likely than not that the position will be sustained upon examination, including the resolution of appeals or litigation processes, if any Tax positions taken are not offset or aggregated with other positions Tax positions that meet the more-likely-than-not recognition threshold are measured as the largest amount of tax benefit that is more than 50% likely of being realized upon settlement with the applicable taxing authority The portion of the benefits associated with tax positions taken that exceeds the amount measured as described above would be reflected as a liability for unrecognized tax benefits, along with any associated interest and penalties that would be payable to the taxing authorities upon examination The adoption of this authoritative guidance had no effect on the Clearinghouse's beginning net assets
