ARCHIVES

“AACC is the primary advocacy organization for community colleges at the national level and works closely with directors of state offices to inform and affect state policy.”

“AACC supports and promotes its member colleges through policy initiatives, innovative programs, research and information and strategic outreach to business and industry and the national news media. Its efforts are focused in six strategic actions areas: National and international advocacy for community colleges, Learning and accountability, Leadership development, Economic and workforce development, Connectedness across the AACC membership, and International and intercultural education.”
