

Association for Learning Technology (UK)

“ALT is the leading UK body bringing together practitioners, researchers, and policy makers in learning technology.

ALT was formed in 1993, and is a registered charity. Our work is supported by 6.5 permanent FTE staff, 6 of whom are based in the ALT Office in Oxford, and one of whom is home-based.

ALT aims to: promote good practice in the use of learning technologies in education and industry; represent our membership in areas of policy; and facilitate collaboration between practitioners, researchers, and policy-makers.”
