

## *Amazon.com Inc. (US)*

“Amazon.com, Inc. was incorporated in 1994 in the state of Washington and reincorporated in 1996 in the state of Delaware. Our principal corporate offices are located in Seattle, Washington.”

“We seek to be Earth’s most customer-centric company for three primary customer sets: consumers, sellers, and developers. In addition, we generate revenue through co-branded credit card agreements and other marketing and promotional services, such as online advertising.”

From United States Securities and Exchange Commission Form 10-K,  
Amazon.com Inc., January 28, 2010.
