**Subject:** CSG Materials

>I find the content of the CSG meeting especially high and relevant. I would  
>like to reproduce the slides from the September 2002 and January 2003  
>meetings and include them in a collection of fully indexed documents  
>provided to the JA-SIG Developers.  
>  
>How would I get permission to do so? Incidentally, at the JA-SIG meetings we  
>ask all presenters to sign a release and, so far, all have done so.

Jim ... The CSG materials are open for appropriate use such as this ... Gavin
