Dear Kuali Community,

To follow up on Brad's May 13 email to the community, we have scheduled the dates and locations for the two face-to-face Kuali Community Strategy Meetings. We will have two sessions for the convenience of the community so that you can choose the one that best fits your schedule. **This will be a facilitated meeting** where we will think about Kuali, review our past accomplishments and challenges, and begin some strategic planning for Kuali in the next decade. (Attendance must be face-to-face; **remote access will not be available.**)

FIRST MEETING

June 25-26

Palm I Room at the Embassy Suites Hotel at the Minneapolis Airport, 7901 34th Avenue South, Bloomington, Minnesota, 55425

The meeting will be held from Noon-5pm local time on 6/25 and from 8am-Noon local time on 6/26.

SECOND MEETING

July 30-31

Post Theatre at the University Guest House and Conference Center, 110 Fort Douglas Blvd, Salt Lake City, UT 84113

The meeting will be held from Noon-5pm local time on 7/30 and from 8am-Noon local time on 7/31.

We want to encourage broad representation from across the community, including those on the Foundation Board, Project Boards, Functional/Technical Councils, member universities, and KCAs. However, our space is limited to 150 people at each meeting, so in order to ensure we have broad representation, please send a request to Jennifer Foutty at jfoutty@kuali.org, and **she will then construct the attendee list.** **Please send your request to Jennifer no later than COB on Tuesday June 3.** Jennifer will get back to everyone who submits a request to let them know if they can attend – she will get back to all requesters by COB on 6/4.

Each individual attending will be responsible for their own travel plans and travel costs. Because of the type of meeting room, **we may not have wireless available,** and we ask that **you don't use laptops or tablets while in the meeting** so we can stay focused on the meeting rather than on our work back home.

We are sending this to the Project Board lists, KCAs, and Member Representatives and please feel free to share this with the other teams on your project.

If you have any questions, please don't hesitate to contact one of us.

Brad Wheeler, Chair, Kualu FoundaOon Board
Eric Denna, Vice Chair, Kualu FoundaOon Board
Jennifer Fou?y, ExecuOve Director, Kualu FoundaOon
