

Maricopa Community Colleges (US)

Maricopa County Community College District

The Maricopa Community Colleges comprise ten colleges, two skill centers and numerous education centers dedicated to educational excellence, meeting the needs of businesses and the citizens of Maricopa County. Each college is individually accredited, yet part of a larger system — the Maricopa County Community College District.

The District is one of the largest higher education systems in the world and the largest provider of health care workers and job training in Arizona — a major resource for business and industry and for individuals seeking education and job training.
