

# Website - Legal Notice

**This site is owned and operated by MySQL AB ("MySQL").**

Use of materials on this web site

MySQL hereby authorizes you to view, download, print, copy, distribute, and use the materials published by MySQL on this web site, provided that:

- No modifications are made to materials without the prior written permission of MySQL.
- Images from this site, including MySQL logos, are not reproduced or posted to your website without the prior written permission of MySQL.
- Materials are used solely for only informational, personal or non-commercial use within your organization and are not copied or posted on any network computer or broadcast in any media without the written permission of MySQL
- A copyright notice, the following text as an example, appears on all materials: "Copyright ©2005 MySQL AB Corporation. All Rights Reserved".
- The copyright, trademark, and other proprietary notices are not removed from the materials.

By viewing, downloading, or using etc. any of the materials published on this web site, you agree to the terms of this Legal Notices. If you do not agree, you should not view, download or use these materials.

All materials on this web site including software and accompanying documentation are protected by copyright. Ownership is retained by the copyright holder and is not transferred to you. Except as specified above, nothing is to be construed as conferring any license or right under any patent, trademark or copyright of MySQL or any third party. Use of software from this site is subject to the MySQL license provided with the products.

Any reproduction or redistribution of the materials on this web site not in accordance with the permission described above is prohibited by law and may result in severe civil and criminal penalties.

Your access to this web site is governed by applicable law. All information on this web site is subject to U.S. export control laws and may also be subject to the laws of the country where you reside.

This publication is distributed internationally and may contain references to MySQL products, programs and services that have not been announced in your country. These references do not imply that MySQL intends to announce such products, programs or services in your country.

## Warranties and limitation of liability

The information on this web site is presented "AS IS" WITHOUT WARRANTY OF ANY KIND. MYSQL HEREBY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR NON-INFRINGEMENT.

MySQL makes reasonable efforts that the materials on this web site are accurate but does not make any representations as to the accuracy or completeness of the materials. Information may be changed or updated without notice. MySQL may also from time to time revise this Legal Notices by updating this posting. You should periodically visit this page to review the current Legal Notices so you are aware of any revisions by which you are bound.

You use this web site at your own risk. MySQL is not liable for any damages arising from use of this site.

## U.S. government restricted rights

All MySQL software products and related documentation that are provided to any agency or department of the United States Federal Government ("the Government") are provided with restricted rights. All use, duplication and/or disclosure by the Government of such MySQL software products and related documentation is subject to FAR 52.227-19, "Commercial Computer Software - Restricted Rights", or DFAR 227.7202-3, "Rights in Commercial Computer Software or Commercial Computer Software Documentation", as applicable. Notwithstanding anything to the contrary in either FAR 52.227-19 or DFAR 227.7202-3, the Government MAY NOT in any fashion modify, combine with other software products, reproduce and/or distribute, other than as specifically permitted by the applicable MySQL Software License provided with the product, any MySQL software product or related documentation that is provided to the Government with restricted rights.

## Links to other sites

MySQL makes no representations whatsoever about the quality, nature or reliability of any other web sites you may access through this web site. A link to a non-MySQL site does not mean that MySQL accepts any responsibility for or endorses the content of that web site.

## Responses to the web site

If you respond to MySQL about materials presented on this web site with questions, comments or similar feed-back, your response will be non-confidential. By sending MySQL the response you grant MySQL an irrevocable

unrestricted license to use, reproduce, distribute, and modify the information in your response and you agree MySQL is free to use for any purpose whatsoever any ideas or concepts contained in your response. However, MySQL will not release your name or publicize the fact of your response unless:

- you give permission,
- you are first notified before you respond to a particular part of this site that any response may be published and used, or
- it is required by law.

See MySQL's Privacy Policy for more information.

#### Copyright and trademark information
