

Dedicated to the employment of the college educated.

Top Employers for the Class of 2010

June 23, 1010

Which employers provided the greatest number of job offers to the Class of 2010? Results of the Summer issue of *Salary Survey* show accounting services led, followed by engineering services. (See Figure 1.)

The Summer issue of *Salary Survey* will be published at in early July.

Figure 1: Top employers for the class of 2010

Employer Type	Average Salary Offer
Accounting Services	\$50,402
Engineering Services	\$56,367
Financial Services	\$49,703
Retail/Wholesale Trade	\$41,678
Educational Services	\$33,682
