

NASCIO (US)

National Association of State Chief Information Officers

NASCIO represents state chief information officers and information resource executives and managers from the 50 states, six U. S. territories, and the District of Columbia.

NASCIO's mission is to foster government excellence through quality business practices, information management, and technology policy.

NASCIO's vision is government in which the public trust is fully served through the efficient and effective use of technology.
