

Online Computer Library Center (US)

“Founded in 1967, OCLC Online Computer Library Center is a nonprofit, membership, computer library service and research organization dedicated to the public purposes of furthering access to the world's information and reducing information costs.”

“Researchers, students, faculty, scholars, professional librarians and other information seekers use OCLC services to obtain bibliographic, abstract and full-text information when and where they need it.

“OCLC and its member libraries cooperatively produce and maintain WorldCat—the OCLC Online Union Catalog.”
