

# *Oklahoma State University (US)*

Oklahoma State University, a land grant system, enriches lives through teaching, research, and outreach.

Oklahoma State University System will:

- Be a leader in developing life-long learners who are highly educated, technically proficient, prosperous, and healthy.
- Facilitate communication, collaboration, and coordination among System components to enhance teaching, research, and outreach.
- Empower its agencies to successfully fulfill their unique missions.
- Capitalize on new opportunities and respond to the changing needs of Oklahomans and society.
