

PeopleSoft Enterprise Student Financials

Student Financials is an essential tool for managing student and external organization accounts. You can manage and calculate all student financial information, including tuition, fees, receivables, billing, payment plans, and refunds.

Enterprise Campus Solutions are a part of Oracle's PeopleSoft Enterprise product line.

BENEFITS

- Open new accounts easily.
- Monitor and update student and third-party accounts.
- Calculate tuition and fees on an individual or group level.
- Check account balances and post transactions.
- Generate unique bills for students and third-party sponsors—by department, cycle, and "account past-due" messages.
- Automate receivables management.
- Tailor payment plans.
- Monitor delinquent accounts.
