At the closing session of the Vancouver Sakai Conference yesterday, the
selection of Dr. Charles Severance as its first Executive Director was
announced by the Sakai Foundation Board. This culminates an extended public
search process, the winnowing of applicants and the interviewing of a number
of exceptional candidates. The Board and the Sakai Community are fortunate
in having such interest expressed in its leadership, and in having such a
skilled and experienced member of that community step forward.
Congratulations to Chuck, and to all of us for making this moment possible.
Much more to come.
