Savvica Inc. (CA)

"Savvica is an education company. Our business is software, but our passion is learning.

"Our task is to bring people and technology together. ... and we're dedicated to bringing online education to teachers and students of all kinds. We're tirelessly searching for better ways to make our software accessible to everyone, young and old, techie and newbie."

"We're using technology to improve education. We're building a better LMS, and we're looking forward to working with you."
