

“The SURF organisation consists of the SURF Foundation and its two Limited Liability Companies: SURFnet and SURFservices.”

“The Mission of SURF is to exploit and improve a common advanced ICT infrastructure that will enable higher education institutes better realise their own ambitions and improve the quality of learning, teaching and research.

- Providing vision in 4-year Strategic Plans initiated by the Scientific Technical Council (WTR).
- Ensuring the commitment of the institutions for higher education.
- Executing the Strategic Plan by stimulating collaboration and co-funding innovative national development programs.”
