

The University of Texas System

“The mission of The University of Texas System is to provide high-quality educational opportunities for the enhancement of the human resources of Texas, the nation, and the world through intellectual and personal growth.

This comprehensive mission statement applies to the varied elements and complexities of a large group of academic and health institutions. Individually, these institutions have distinct missions, histories, cultures, goals, programs, and challenges. Collectively, these institutions share a common vision and a fundamental commitment to enhance the lives of individuals and to advance a free society.
