

University of Chicago (US)

“The University of Chicago is a private co-educational university located in Chicago, Illinois. Over a century old, it is renowned for its contributions to teaching and research, and recognized as one of the world's foremost research institutions. Known as the "teacher of teachers", scholars and researchers affiliated with the University of Chicago have earned more Nobel Prizes than any institution except Cambridge University. ... the University of Chicago is often considered to be among the most intellectual and rigorous of American universities.”
