

MyPlan

Academic planning tool that makes it easier for students to navigate the UW's curricular offerings and achieve their academic goals

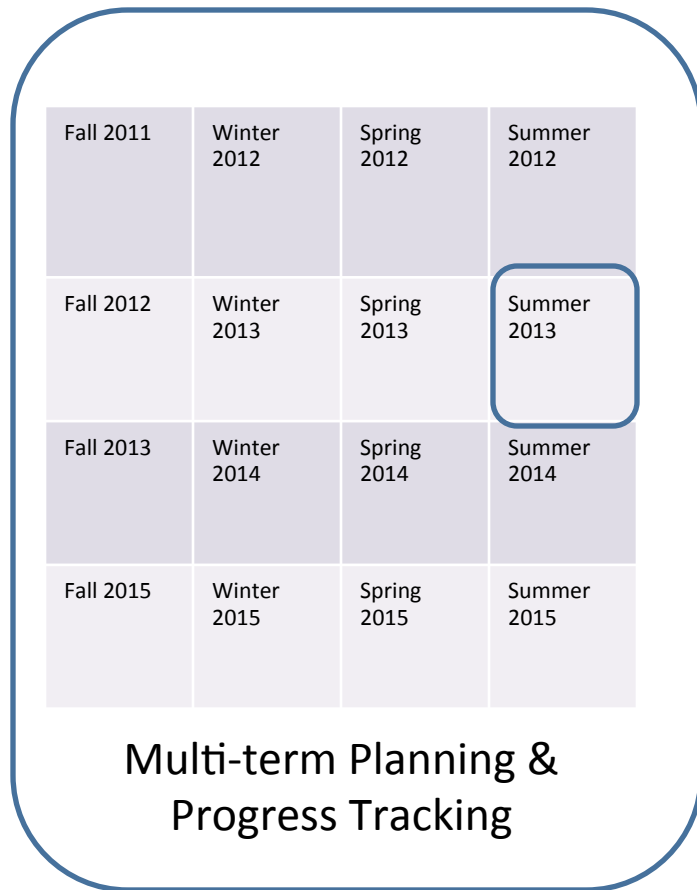

Being able to outline a plan and share it easily with my advisor has helped me focus on studying, not worrying about graduation

Because of MyPlan, I can more easily find the courses that I need to take and manage my academic plan.

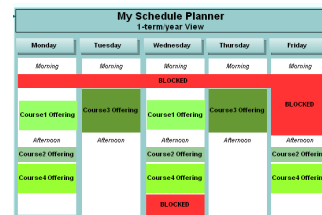

MyPlan is the foundation for ongoing modernization and replacement

YEAR 1

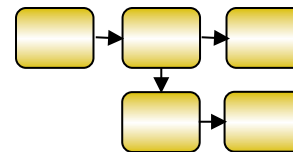

Enhanced Advisor and collaboration functions

Section Planning & Registration

Enhanced Progress Tracking & Alerts

Administrative Processes related to academic plan

YEAR 2+
