

MyMathLab Makes The Grade On Campus

It's a fact: Higher Education's innovative MyMathLab (www.mymathlab.com) is helping thousands of struggling, and accomplished, college students achieve remarkable math success. [In this video] hear how important the program is to students and faculty at Quinsigamond Community College in Worcester, MA, and Cosumnes River College in Sacramento, CA. It all adds up to a dramatic increase in math performance.
